Item Specifics

Product Type :	Victorian Carved Coral Suite	Time Period:	Victorian
Gemstone :	Coral	Metal:	10K Gold
Gender :	female		

Up for auction is this Museum Quilty Bacchus God of Wine, Song, and Fertility, Known to the Greek as (Dionysus). By a Master carver of Coral. Grapes that are ripe and the most beautiful leaves ready for harvest. The matching earrings are incredible, as well with a total of 9 drops. The brooch and suite is put together with more than 20 pieces with gold wire. Brooch measures 2 1/2 inches with drops. It is 1 1/4 across. Earrings are 2 1/2" long. This suite has never been for sale before! Hardly ever seen. Bacchus is the brough, and his wife Ariadne are carved into the earrings. Bacchus rescued her and his mother from Zeus showed her his true nature as storm God and consumed her in lightning. It was Bacchus (Dionysus) who granted Midas the power to turn whatever he touched into Gold, then was kind enough to take it back when it proved inconvenient. Victorian ca:1870. Work was done by Italian carver, this is best on the market today. When you add up the design and how often do you see this subject matter. The quality of the carving and artistic appeal. You see how they are valued. This has all the bells and whistles. There is a fairy in one of the earrings very small. The brooch is in excellent condition. I have a reserve to protect my interest, feel safe in bidding. Email me with any questions, you will truly love these carving
