SCARCE c.1950s SHERMAN SIAM RED RHINESTONE CUFF BRACELET!

This auction is for a fabulous difficult-to-find rhinestone rigid cuff bracelet by Sherman, the famous Canadian costume jeweler. I am told that the rhinestones are deep Siam red and Siam aurora. It measures approximately 1 1/2 inches wide by 7 1/2 inches in diameter (inside bracelet) and has the dark, japanned back. The back is showing some signs of wear in the form of small scratches (most noticeable near the clasp). In addition to the clasp there are two hinges and a safety chain.

Overall, it appears to be in excellent condition with no damage, missing stones or repairs. It likely could do with a good cleaning. I am listing this desirable vintage Sherman bracelet with NO RESERVE, so do not miss the chance to add a beauty to your collection!

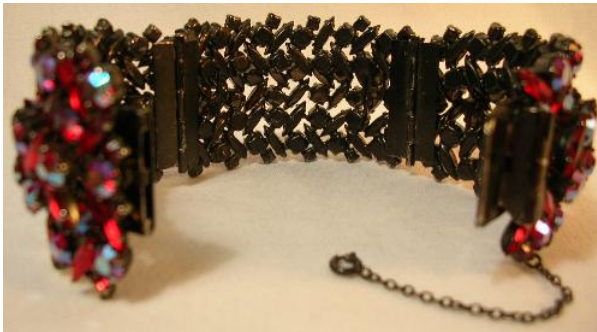

Click on 'view sellers other items' above to see a large matching Sherman brooch that I also have listed on eBay this week. Multiple purchases will combine to save on shipping cost!

The successful bidder is to submit payment in the form of a money order (purchase sent the next business day after it is received) or immediately with a major

credit card via PAYPAL - purchase to be sent the next business day after e-mail confirmation is received. The buyer also agrees to pay \$8 for shipping and related costs (airmail within North America). Insurance against loss is available if desired at actual cost. Please feel free to e-mail me with any questions. I reserve the right to refuse bids from those with a pattern of negative feedback.
